- ii. Bonuses are only available in countries where such offers are legally allowed.
- iii. Normally, one bonus per account applies unless we approve otherwise.

3. How Do Bonuses Work?

- i. First-Time Deposit Bonus: We may offer a bonus on your first deposit. The percentage (e.g., 20%) is an example, the actual bonus amount is at our discretion and may vary based on promotions, account status, or jurisdiction. Example: Deposit AED 10,000 and receive AED 2,000 or more as a bonus for trading.
- ii. Bonuses are for trading purposes only and cannot be withdrawn unless stated in a special offer.
- iii. If you withdraw or transfer funds, the bonus will be removed.
- iv. Bonuses are valid for **90 days** unless extended by us.
- v. Profits made using the bonus can be withdrawn following our standard withdrawal process.
- vi. You cannot combine multiple bonuses unless we approve it.
- vii. Promotional credits during events are for trading only and cannot be withdrawn. These credits may have special conditions like expiry dates or trading restrictions.

4. Important Rules

- i. Misuse of bonuses (e.g., stacking, arbitrage, scalping, or system abuse) will lead to bonus cancellation and possibly account suspension.
- ii. We may revoke bonuses if we suspect misuse.

5. Changes to the Bonus Program

- i. We may update or stop bonus offers anytime without prior notice.
- ii. Updates will be posted on our official channels and website.
